GEL-PAK ANNOUNCES NEW EUROPEAN AND ISRAELI DISTRIBUTORS

HAYWARD, CA, JANUARY 20, 2008: Gel-Pak, a division of Delphon Industries and leading manufacturer of device shipping and handling carriers used predominantly by the semiconductor, optoelectronics, telecommunication and medical industries announced today the appointment of 3 new distributors in Europe and Israel: **TELTEC** Semiconductor Technic, **Smart Materials & More**, and **A.V.B.A. HighTech**.

These new affiliates are all leading distributors in their regions, each with more than 20 years of experience in semiconductor equipment, materials, and services. Gel-Pak will now rely on **TELTEC** to support its customers in Germany, Austria, Switzerland, France, Italy, and Eastern Europe, **Smart Materials & More** will cover The Netherlands, Belgium, and Scandinavia, while **A.V.B.A.** will handle Israel. "We're confident that our new relationships with **TELTEC**, **Smart Materials**, and **A.V.B.A** will

~ MORE ~

provide European and Israeli customers with a higher level of local sales support and expand Gel-Pak's already strong presence in the European market," says Darby Davis, Director of Worldwide Sales and Marketing for Gel-Pak.

Background:

Founded in 1980, Gel-Pak has developed a line of device carriers and handling materials that offer solutions for applications where damage during handling must be avoided. The company's proprietary elastomer technology serves as the basis of its Gel-Box, Gel-Tray, Film, and patented Vacuum Release products. For further information on Gel-Pak's product line, please refer to their website at www.gelpak.com.

About the Parent Company:

Gel-Pak is a division of Delphon Industries, LLC headquartered in Hayward, California. Delphon's mission is to provide materials and services for the shipping, processing, and packaging of high value technology components.

With the divisions Gel-Pak, Quik-Pak, TouchMark, and UltraTape along with a worldwide sales and distribution network, Delphon Industries serves a wide range of markets including semiconductor, medical, opto-electronics, solar, and data storage. For more information about the parent company visit www.delphon.com.
