## **GEL-PAK ANNOUNCES DISTRIBUTION AGREEMENT WITH SMART MATERIALS & MORE**

HAYWARD, CA, FEBRUARY 12, 2008: Gel-Pak, a division of Delphon Industries and leading manufacturer of device shipping and handling carriers used predominantly by the semiconductor, optoelectronics, and medical industries announced today the appointment of Smart Materials & More as one of its new European distributors.

Smart Materials & More is a leading European distributor of semiconductor equipment and materials. Gel-Pak will now work with Smart Materials & More to service its customers in Belgium, the Netherlands, and Scandinavia. "We're confident that our new relationship with Smart Materials & More will provide European customers with a higher level of local support and expand Gel-Pak's already strong presence in the European market," says Darby Davis, Director of Worldwide Sales and Marketing for Gel-Pak.

**Background:**

Founded in 1980, Gel-Pak has developed a line of device carriers and handling materials that offer solutions for applications where damage during handling must be avoided. The company's proprietary elastomer technology serves as the basis of its Gel-Box, Gel-Tray, Film, and patented Vacuum Release products. For further information on Gel-Pak's product line, please refer to their website at [www.gelpak.com](http://www.gelpak.com).

**About the Parent Company:**

Gel-Pak is a division of Delphon Industries, LLC headquartered in Hayward, California. Delphon's mission is to provide materials and services for the shipping, processing, and packaging of high value technology components.

With the divisions Gel-Pak, Quik-Pak, TouchMark, and UltraTape along with a worldwide sales and distribution network, Delphon Industries serves a wide range of markets including semiconductor, medical, opto-electronics, solar, and data storage. For more information about the parent company visit: [www.delphon.com](http://www.delphon.com).
