## **TOUCHMARK ATTAINS ISO 9001:2000 CERTIFICATION**

HAYWARD, CA MARCH 28, 2008: TouchMark, a division of Delphon Industries, announced today that it has met the strict requirements for ISO compliance and has been awarded ISO 9001:2000 certification for its precision pad printing services. The ISO 9001:2000 is an internationally recognized reference identifying and ensuring that the necessary components of a quality management system (QMS) are in place to continuously assure high quality services provided to customers.

"Achieving ISO certification demonstrates to our medical device manufacturing and high technology customers our commitment to providing them the highest quality pad printing services" says Jeanne Beacham, CEO. To attain ISO 9001:2000 certification, TouchMark has proven they have the required resources to manage and carry out certified procedures properly based on documented

requirements. TouchMark showed evidence during meticulous audits  
that employees strictly follow the guidelines in TouchMark's  
procedure manuals and that the staff regularly improves process  
efficiency to ensure high-quality service.

**Background:**

TouchMark, originally founded in 1992, was purchased by Delphon Industries in 2006. For more than 15 years the company has worked closely with leading medical and electronic customers to provide solutions to their pad printing challenges. TouchMark has developed an expertise with difficult substrates, inks and unique shapes. In addition to pad printing, the company has expanded its offerings over the years to include material procurement and preparation, incoming inspection, Cleanroom assembly, as well as post production services. The company is constantly growing its service menu to meet the changing needs of medical device and consumer electronic manufacturers.

**About the Parent Company:**

TouchMark is a division of Delphon Industries, LLC. Delphon's mission is to provide materials and services for the shipping, processing and packaging of high value technology and medical components. Headquartered in Hayward, California, CEO Jeanne Beacham has aggressively positioned Delphon to take advantage of changes within the industries the company serves.

With Divisions TouchMark, Gel-Pak, Quik-Pak and UltraTape along with a worldwide sales and distribution network, Delphon Industries serves a wide range of markets including the Semiconductor, medical device, Opto-electronics, automotive, MEMS, and defense industries.
