MEDICAL DEVICE PAD PRINTING FIRM ANNOUNCES NEW WEBSITE

HAYWARD, CA FEBRUARY 21, 2007: TouchMark, a leading provider of high quality precision pad printing services to the medical device, diagnostic, and consumer electronics industries, launched its new website today (www.padprint.com). "The new site was designed with our customers in mind", said Jeanne Beacham, president. "It offers information about TouchMark's wide range of capabilities including full turnkey cleanroom printing and assembly in addition to valuable industry information.

TouchMark, originally founded in 1992, was purchased by Delphon Industries in 2006. For more than 15 years the company has worked closely with leading medical and electronic customers to provide solutions to their pad printing challenges. TouchMark has developed an expertise with difficult substrates, inks and unique shapes. In addition to pad printing, the company has expanded its offerings over the years to include material procurement and preparation, incoming inspection, Cleanroom

assembly, as well as post production services. The company is constantly growing its service menu to meet the changing needs of medical device and consumer electronic manufactures.

About the Parent Company:

TouchMark is a division of Delphon Industries, LLC. Delphon's mission is to provide materials and services for the shipping, processing, and packaging of high value technology and medical components. Headquartered in Hayward, California, CEO Jeanne Beacham has aggressively positioned Delphon to take advantage of changes within the industries the company serves.

With Divisions TouchMark, Gel-Pak and Quik-Pak along with a worldwide sales and distribution network, Delphon Industries serves a wide range of markets including the Semiconductor, medical device, Opto-electronics, automotive, MEMS, and defense industries. www.delphon.com.
