ULTRATAPE ANNOUNCES SAMPLE KITS AVAILABLE FOR PURCHASE THROUGH WEBSITE

SALEM, OREGON APRIL 21, 2008: UltraTape Industries, a division of Delphon Industries and manufacturer of adhesive tapes for critical environments, announced today the availability of sample kits for purchase through their website www.cleanroomtape.com. There are currently 5 sample kits available including those designed for General Purpose Cleanroom Tapes, Cleanroom Construction Tapes, ESD Tapes, Medical and Pharmaceutical Tapes, and Wafer Box Sealing Tapes. Each kit contains a variety tape samples with different levels of adhesion, carrier films, and adhesive types that are appropriate for a particular application.

"Making these kits available for purchase online is part of our ongoing effort to more effectively service our customers," says Keith Taft, UltraTape General Manager. "Customers will now be able to purchase these tapes and evaluate them to see which one is appropriate for their specific application." UltraTape specializes
